

**IIT CHICAGO-KENT COLLEGE OF LAW
JUDICIAL EXTERNSHIP PROGRAM – FALL 2019**

Information and Application Form

I. COURSE DESCRIPTION

Judicial Externship Program (JEP) is a **4-credit hour Pass/Low Pass/Fail** program open to students in their **second and third year** who want to do legal research and writing for a designated **federal or state court judge**.

A judicial externship enables a student to become involved in particular legal problems through research and writing, and to contribute to the resolution of those problems by writing memoranda and drafting opinions. Depending upon the judge, an extern may have the opportunity to observe the day-to-day routine of a judge and discuss with the judge or the judge's law clerk those legal problems which attorneys face in their profession, as well as the specific problems confronted in the courtroom.

An **accompanying classroom component** meets on **Fridays**. The class focuses on various aspects of judicial decision-making and, where appropriate, how those aspects affect the extern's work product.

II. TIME COMMITMENT: FIELDWORK COMPONENT

**Monday, August 26, 2019 - Friday, December 6, 2019.
16 hours minimum per week – 224 hours minimum total**

All judicial externs will work under the direct supervision of and coordinate their externship schedule with their judge and/or their judge's law clerk. The extern must work **16 hours per week** for the judge during the Fall semester, for a total of at least **224 hours**.

For Fall 2019, the fieldwork must be completed to the satisfaction of the judge by Friday, December 6, 2019, the last day of classes. If, for some reason, a student cannot complete the externship by that date, that student must inform Professor Gross immediately and follow the procedures explained in the Student Handbook for receiving an "I" (Incomplete).

III. APPLICATION PROCEDURE

If you have independently secured an externship with a federal or state court judge who was not specifically listed as a participating member of our formal panel of Fall 2019 JEP judges and wish to explore the possibility of converting that opportunity into a for-credit externship, please contact Professor Vivien Gross (vgross@kentlaw.iit.edu). In addition, please fill out the accompanying application.

IV. OUTSIDE LEGAL EMPLOYMENT

A **judicial extern may not have simultaneous legal employment** either in the private or public sector. Judges must avoid any possible conflicts of interest and appearance of impropriety.

V. LEGAL WRITING IV EXEMPTION FOR JUDICIAL EXTERNS

Because of the significant and complex legal research and writing performed by judicial externs, 2Ls in JEP are eligible to opt out of Legal Writing 4 by registering for a special series of one-hour non-credit/tuition-free Legal Writing 4 Equivalency classes devoted to research training exercises.

VI. COURSE REGISTRATION

Notify Professor Gross immediately upon receiving an offer to extern. Proper notification is a prerequisite to registration.
