Information and Application
Judicial Externship Program – Spring 2022

I. Course Description

Judicial Externship (JEP) is a **4-credit hour Pass/Low Pass/Fail** program open to students in their **second and third year** who want to do legal research and writing for a **federal appellate, district, or bankruptcy judge or an Illinois Supreme Court, appellate or circuit court judge**. JEP consists of both a fieldwork and classroom component.

II. Fieldwork Component

Judicial Externship fieldwork enables a student to become involved in particular legal problems through research and writing, and to contribute to the resolution of those problems by writing memoranda and drafting opinions. Depending on the pandemic and the courthouse restrictions, an extern may also have the opportunity to observe the day-to-day routine of a judge and discuss with the judge or the/judge's law clerk those legal problems confronted in the courtroom.

Judicial externs work under the direct supervision of and coordinate their externship schedule with their judge and/or their judge's law clerk. The extern must work **16 hours per week** for the judge during the Spring semester for a total of **224 hours**. Due to Covid restrictions, whether this work will be remote, in-person, or hybrid is to be determined at that time.

For the Spring 2022 semester, the fieldwork should be completed in a satisfactory manner by Friday, April 29, 2022. If a student, with the judge's approval, chooses to extend the duration of the externship beyond the last day of the session or for some reason cannot complete his/her assignments by that date, the student must inform Prof. Gross and follow the procedures explained in the Student Handbook for receiving an "I" (Incomplete) grade.

III. Classroom Component

The **accompanying classroom component** meets on designated **Fridays at noon**. The class focuses on various aspects of judicial decision-making and, where appropriate, how those aspects affect the extern's work product.

IV. Grade Point Eligibility Required by Listed Participating Judges

When applying to any of the judges participating in our Spring 2022 JEP (as listed on pp. 6-8), **2L applicants** are required to have a **minimum cumulative G.P.A. of 3.3**, and **3L applicants** a **minimum cumulative G.P.A. of 3.2**.

V. Application Procedures

To apply to any of the judges participating in our Spring 2022 JEP as listed on pp. 6-8 of this application, you must apply **only** through this application process to be considered. These judges **do not** accept individual applications.

An application packet to a judge will consist of:

- cover letter
- resume
- writing sample (unless otherwise noted)
- law school transcript

1. Cover Letter

The cover letter should contain a brief statement of reasons for seeking a judicial externship placement, the number of credit hours you will have accumulated toward your degree by the end of the Summer 2021 semester, as well as your most recent cumulative grade point average. The correct heading and salutation for judges are as follows:

Federal Court

District Court:

Honorable (Name of judge to whom you are applying)
United States District Court
Northern District of Illinois
219 South Dearborn Street

50 W. Washington Street
Chicago, Illinois 60602

Dear Judge _____:

2. Resume

Your resume should include your name, address, home and work telephone numbers, educational background, and professional or other work experience.

3. Writing Sample

Almost all of the judges require a legal writing sample. The shorter in length the sample you submit, the better. Please no moot court brief, neither in its entirety nor in part. If you have any questions about your writing sample, please contact Prof. Gross at vgross@kentlaw.iit.edu.

4. Transcript

You may use either an official or unofficial copy of your law school transcript.

VI. Submission of Applications

Due to the pandemic, only electronic copies of the documents needed for your applications will be required. The following documents will need to be sent electronically to Suzanne Blaz (sblaz@kentlaw.iit.edu) by **5 p.m. on Friday, October 15, 2021:**

1. Your Resume;
2. Your Transcript (official or unofficial);
3. Your Writing Sample;
4. Cover Letters – you must complete one separate cover letter for each judge, i.e. if you are applying to five judges, you will need to send five separate cover letters; and
5. A filled out *Application Checklist* form (the last page of this application).

Please send all documents in pdf format. Suzanne will then create application packets to be submitted to the respective judges by Tuesday, October 19, 2021. Each chambers will contact student applicants directly, if a judge wishes to set up an interview.

VII. Selection Guidelines and Rules

Judges make their own selection of externs. The selection process is, of course, competitive, but do not let competition discourage you. Kent has an excellent reputation with the judges and prior Kent externs have done very well.

To increase your chances of being selected, you may apply to as many judges as possible whose eligibility requirements you meet.

Some judges make their selections more quickly than others. You may receive a call from a judge to set up an interview within an hour or within several days after the applications have been delivered. *If you have not heard from any chambers by late April and have any questions about the likelihood of being selected, please see Prof. Gross.*

Not getting an offer is not a rejection. Consider reapplying for a future semester. Most students get an externship their second time around. Circumstances change, clerks change, judges' needs change. Student applicants who have completed only their 1L year are clearly not as competitive as they would be with more classes/experience. So if you do not get an externship the first time around, we strongly encourage you to consider applying for Summer or Fall 2022 JEP or for another semester.

You must **accept the first offer** you receive from a judge or the clerk who has interviewed you. Judges do not like to compete with one another for externs.

When you accept a Judicial Externship with one of the listed participating judges, you commit yourself to that judge and to the program for the coming semester. **For many important reasons, breaching your promise to extern is the equivalent of an ethical violation.**

For the sake of the continued success of JEP and the ability of Kent students to have the privilege of continuing to extern with these judges, **you cannot withdraw from or drop Judicial Externship as you can other law school courses.** If you accept a Judicial Externship you must complete it in a satisfactory manner.

You cannot accept more than one judicial externship per semester.

VIII. Judicial Externships With Chambers Not Listed On This Application

If you applied but do not receive an offer from one of the participating judges by the week of November 29, 2021, but are still interested in participating in the Spring 2022 Judicial Externship program, please contact Prof. Gross. She may be able to connect you with another judge interested in obtaining an extern for the Spring.

Alternatively, some students receive an offer to extern from a judge not listed on pp. 6-8 of this application. If you secure an offer to extern for a judge not included on the list on your own, and would like to explore the possibility of converting that opportunity into a for-credit externship, please contact Prof. Vivien Gross at vgross@kentlaw.iit.edu. Applications to extern for a judge not included in our program will be available online after October 18, 2021 (Short Form Spring 2022 Judicial Information with Application). The deadline to submit this short form application and the application materials to me is on or **before Tuesday, January 4, 2022**.

IX. Judicial Externship for a Second Semester

If you wish to continue as a judicial extern in the same chambers for a second semester, you must first obtain approval from your judge and then notify Prof. Gross in a timely manner.

X. Outside Legal Employment

For important ethical and policy reasons, a judicial extern may **not** be enrolled in a **simultaneous** Law Offices program or have **simultaneous** legal employment either in the private or public sector.

XI. Legal Writing 4 Exemption for Judicial Externs

Because of the significant and complex legal research and writing performed by judicial externs, 2Ls in JEP are eligible to opt out of Legal Writing 4 by registering for the non-credit/tuition-free Legal Writing 4 Equivalency class devoted to research training exercises.

XII. Spring 2022 Judicial Externship Program Registration

Notify Prof. Gross immediately upon receiving an offer to extern. Proper notification is a prerequisite to registration. No student can register for the Spring 2022 Judicial Externship unless they have submitted the application materials and been approved by Prof. Gross before January 4, 2022.
