

REGISTRATION AS A JD/LLM IN FINANCIAL SERVICES STUDENT

Use this form to register with Chicago-Kent as a participant in the Chicago-Kent College of Law JD/LLM in Financial Services program.

A student may enroll in this program after completing Law 276, Personal Income Tax and Law 409, Business Organizations. To enroll, a student must have a GPA of at least 3.200 or receive permission of the Director of the Program. While a JD student, **a minimum of four and a maximum of six LLM courses will count toward the hours required for a JD degree.** A student is not permitted to take more than six LLM courses prior to earning the JD degree, even if the student does not intend to count the additional courses for JD credit. Grades received in LLM courses are counted in the student's JD grade point average. **An LLM course may not be taken on a pass/fail basis.**
