

To view your required documentation for financial aid, please follow the steps below:

1. Log into the [myIIT](https://my.iit.edu) portal (<https://my.iit.edu>). Click on the **Financial Aid Dashboard**.

2. From the **Award Year** drop down list, select the appropriate **Aid Year**.

3. Click on the **Home** tab. Here, you will see your **Unsatisfied Requirements**. Click on the drop down arrow next to **Requested Document** to view your instructions for satisfying this requirement.

The screenshot shows the Illinois Tech Financial Aid dashboard. At the top, there is a navigation bar with the "Home" tab highlighted by a red arrow. Below the navigation bar, the "Student Requirements" section is visible, with "Unsatisfied Requirements" highlighted by a blue arrow. A requirement titled "Registered Credit Hours Below Minimum Financial Aid" is listed, with a "REQUESTED DOCUMENT" button and a dropdown arrow highlighted by a red arrow. The requirement details state that the student is currently registered for fewer credits than required for their program and financial aid award.

4. While on the **Home** screen, you will also see your **Satisfied Requirements**. These are requirements that you have already completed in order to receive your federal financial aid.
